SUPPLIES:

- jar
- red, white, & blue paint
- paintbrush
- tape
- piece of paper
- scissors
- glue (optional)
- glitter (optional)

INSTRUCTIONS:

1. Paint the jar solid white and allow to dry completely.
2. Once dry, place strips of tape on the jar to create a stripe pattern. Paint red stripes in between each strip of tape. Allow to dry, then remove the tape.
3. Use new strips of tape to tape off a rectangle shape at the top of the jar. Paint the rectangle blue and allow to dry. Remove the tape.
4. Cut a star shape out of a piece of paper to create a star-shaped template. Place the template on the blue rectangle and use white paint to create stars on your flag. Allow the white paint to dry.
5. (Optional): Carefully apply a thin layer of glue to the rim of your jar and allow to dry slightly so that it becomes tacky.
6. (Optional): Sprinkle glitter onto the rim of the jar and allow the glue to dry completely.
