

# PSALM 139:14 SNOWFLAKE CRAFT

## Supplies:

Paper plates, a permanent marker, a white crayon, watercolor paints, and paint brushes

Start with a paper plate  
(must have matte surface)

Write the verse: "I have been  
remarkably and wondrously  
made. -Psalm 139:14A" in  
permanent marker

Using a white crayon, draw  
a snowflake in the center

Repeat this process on other  
paper plates so that you have one  
for each child (draw a different  
snowflake design on each)

Have kids paint the plates with  
watercolors to reveal their  
unique snowflake
