in love."

God placed you in your family on purpose. Even when it's hard, He helps us work through tough times, forgive each other, and show love—just like Jesus loves us.

The background is a vibrant lime green. It features large, stylized, wavy shapes in shades of yellow and orange, resembling worms or caterpillars. There are also several small, teal-colored, pill-shaped graphics scattered around the central text. In the top left corner, there are some light blue, abstract shapes that look like stylized leaves or petals.
