Ingredients:
- Small Chocolate Covered Donuts
- Graham Crackers
- Mini Oreo® Cookies
- Green Icing Piping
- Tags
- Toothpicks

Directions:
Pipe out green icing to look like grass on graham crackers that have been broken into squares. Cut donuts into halves, and place in the center of the cracker. Then, place the mini Oreo® cookies to the right side of the hole in the donut, to make it look like the tomb door has been rolled away. Make copies of the tags below, and glue to toothpicks to stick in the top of the donuts. Tags are also available for download from kidsministry101.com.
