

Paper Plate Heart Craft

You will need:

Small paper plates
Scissors
Pencil
Single hole punch
Tape
Colorful yarn

Fold a paper plate in half and cut out a heart shape from the middle of the paper plate, making a template. Next, open the heart and place it on top of a second plate. Trace your heart template onto the center of your second plate with a pencil. Then, cut out a heart shape in the center.

Use your hole punch to punch holes around the entire perimeter of the heart.

Select various colors of yarn and tape the ends so they don't fray. Pull your yarn through different holes of the heart and tape the yarn in place on the back of your paper plate. Continue threading your yarn around different holes choosing a variety of colors until each hole has been used. Place your craft in your room. When you see it, stop and remember that God wants your whole heart. He wants you to love and worship Him most.

Discuss:

- What words come to mind when you hear the word *worship*?
- What do you know about God that makes you want to worship Him?
- How should knowing who God is lead you to value Him most?
- What do you think it looks like to love God with all of our hearts?
- How does knowing and loving God fuel our worship of Him?
