

# MOTHER'S DAY COUPON CRAFT

## **Supply List:**

- Child-Friendly Scissors
- Glue Stick
- Colored Pencils, Crayons, or Markers

## **Envelope Instructions:**

1. Parents, help your child cut along the dotted line to remove the panel that reads "TRIM".
2. Fold the remaining solid lines.
3. Fold Flap 1 towards the blank side (interior) of the envelope and secure with glue.
4. Fold Flap 2 towards the blank side (interior) of the envelope and secure with glue.
5. Run the glue stick over the clean side of the two flaps you just glued.
6. Fold the Front Cover over and secure loose flaps to Front Cover.
7. Push down on all the edges to make sure your envelope is securely glued.
8. Ta-da! You have your very own envelope to hold Mom's Coupons!

## **Coupon Instructions:**

1. Parents, help your child cut out each coupon along the outer edge of the border. (NOTE: Make sure you save the instructions for each coupon so you can remember what to draw on the blank side!)
2. Follow the instructions next to each coupon and add your own special design with the art supplies provided!
3. Place the finished coupons inside the envelope.
4. Present the coupons to your Mom on Mother's Day! She will love your handmade gift!
