

# Paper Plate Snowman Craft

## What You Need:

- 1 large paper plate
- 1 small paper plate
- 5 orange pom-pom balls
- 2 sticks
- 1.5 inch ribbon
- Black puff paint
- Hot glue gun and hot glue sticks
- Scissors

## What You Do:

Turn the plates face down and carefully glue the bottom of the small plate to the top of the large plate.

Hot glue the sticks to each side of the large plate.

Then, hot glue the five orange pom-poms to the middle of the small plate, in the shape of a triangle.

Use the puff paint to paint large dots for the eyes, mouth, and buttons.

Carefully wrap a piece of ribbon around the neck of the snowman and secure it with hot glue.

Enjoy hanging your fun paper plate snowmen around the house!
